Memorandum of Agreement

The *R/V Brooks McCall*, owned by Cameron Offshore Boats, is currently under long-term charter to TDI-Brooks International Inc. TDI-Brooks International has chartered this vessel to conduct a variety of geochemical and geotechnical studies in the Gulf of Mexico. TDI-Brooks International operates under a safety management system that is consistent with international safety management practices and in addition has a health, safety and environment system that meets accepted safe operating procedures on vessels in an environmentally responsible manner by the clients of TDI-Brooks International.

Cameron Offshore Boats agrees to adopt TDI-Brooks International safety management system and health, safety and environment system for operations conducted on the *R/V Brooks McCall*.
